PRINT & PRODUCT PRICING FOR NEWBORNS

NICE TO MEET YOU!

Hello and congratulations on your new addition! Children are by far one of the biggest blessings we get to have. I, myself have a rainbow baby named Easton. After having an ectopic pregnancy at 6 weeks pregnant and having to get one of my fallopian tubes removed in June of 2012, 3 months later I was blessed with a healthy pregnancy and delivered my son 5 weeks early on July 4th, 2013. He was as healthy as could be and came in at a whopping 5lbs 8oz and 18.5 in long. If you're looking for a newborn photographer, I would certainly love to be of service to you and look forward to working with you! I have had a huge love for photography since I was very young. I began my journey in Newborn Photography August of 2015 when I attended Brandon Burton's 2 Day Newborn Workshop and I completely fell in love with it. I also completed another Newborn Workshop in April of 2016, a Baby Clinic Workshop with THE Ana Brandt in January of 2019 and have worked with several newborns since I started my business in 2016. They are my absolute favorite! One of my most favorite parts of newborn sessions are hearing the stories behind them, the stories always amaze me! Each of my clients mean the world to me and I want nothing more than to give them beautiful art they can love and cherish forever. I have put this pricing guide together to help you in leaving with amazing portrait art for you and your families homes.

I'm so excited to meet you and your new baby!

THE STUDIO

Welcome to the studio at C6!

We're off 164th and Portland. Super convenient and easy to get to from anywhere as we're right off the highway. Our light source is a huge windowed in garage door that lets in the most beautiful natural light. We change up the decor every 3-6 weeks to keep it fresh and new with the seasons and/or holidays. I have hundreds of backdrops, a posing bean bag, tons of props, and a variety of other items I use for the session. I have everything we need including swaddles and blankets. However, if you would like you may bring 1-3 personal items or heirlooms you would like to include in the session. There's couches and chairs for you to make yourself comfortable. You can come in your comfiest clothes, bring a comfy change of clothes if you're doing family pictures, bring the latest book or magazine you're reading and kick back, you're more than welcome to even take a nap as well! You wouldn't be the first!!

I want to make the experience as comfortable as can be for you and your family!
